

1011-LS

Right-Angle 5G Small Cell Wall Mount

Collection: H-Plane™ | Series: 1011

Use this H-Plane™ right angle bracket to conveniently mount small cells on the wall in locations where a ceiling mount is undesirable or unavailable. Install small cells in preferred horizontal orientation for optimum wireless coverage. Mount and secure up to four small cells from leading vendors in one location. This right-angle mounting bracket has a hinged, snap-down cover and sidewalls to help conceal cabling and can be placed directly over data outlet. Mount and secure up to four small cells from leading vendors. Powder-coated steel. Ideal for hard lid environments such as hotels and retail spaces.

Features & Benefits

- Install and secure up to four small cells from leading vendors in one location
- Enables small cell to be mounted in the preferred horizontal orientation for optimal wireless coverage
- Can be mounted directly over telecommunications outlet, concealing outlet, connectors, and cabling
